

TIINA VAINIO lives in Turku and has vast experience in the visual art field. In addition to more traditional ways of expressing her artistry, her work includes social artistry and stage design. Several of her works are placed in important collections (Museum of Modern Art KIASMA/the state of Finland, Kone Foundation, cities of Turku and Tampere, Art Museum of Turku etc.) Vainio has also contributed with a number of public works. Vainio is a trained visual artist, art pedagogue and lawyer. She is widely experienced in collaboration with different partners and enjoys working in experimental projects that combine know-how from various fields.
